RE: Open Records Request

Dear Clerk of the Michigan Supreme Court,

I request the following records, which are open, public records, that touch or concern the pilot project of the Arnold Foundation (or Arnold Ventures) Public Safety Assessment Tool (hereinafter, "PSA"):

1. The contract or agreement between the Arnold Foundation or Arnold Ventures and the State of Michigan, Supreme Court, State Court Administrative Office or relevant judicial entity or entities.
2. Any agreements, memorandums, security addendums or other documents governing Arnold Foundation or Arnold Ventures access to confidential criminal history information.
3. Any correspondence between Arnold Ventures or the Arnold Foundation and the Supreme Court of Michigan or any employee or employees working within the Michigan State Court Administrative Office or staff or employee of the Michigan Supreme Court or State Court Administrative Office.
4. Any data or information touching or concerning the pilot project employing the PSA.
5. Any documents touching or concerning the budget that the Michigan Courts requested and obtained from the legislature in order to operate the PSA pilot project.
6. Any policies, rules, or procedures that govern the transparency of the PSA or PSA process.
7. Any documents or records touching or concerning whether the Michigan Supreme Court, State Court Administrative Office or Arnold Foundation or Arnold Ventures investigated, tested, or discussed whether the PSA has been tested for bias against protected classes in Michigan.

I look forward to your reply.

Thank you,
